Ramona receives Christ in the new church!

Philippines

Nate & a team of SCORE missionaries are in the Philippines this week. Pray for them as they host a Pastors' Conference & see God's work on those islands.

Scarlet Thread

Our first young lady is off the street! Pray for Yennifer. After working the streets of Juan Dolio for many years as a prostitute, she received Christ & went home to her family. Pray fervently Thurs. nights 9:30 p.m.

Juan Dolio Church

God is at work in Juan Dolio & Guayacanes. As the church grows too big for the SCORE hotel, we are in the process of purchasing property, thanks to a generous family foundation. Keep praying - we will need to raise funds for the actual building. It's a challenge for us, but not impossible for God!

US Women Needed

Oct. 26-30 we will host the first SCORE Women's Conference. US Women will meet for Bible study in the mornings, ministry daily, and evening worship. Ministry includes orphanages, ladies' village Bible studies, maternity wards & more. Plan to be a part & an example for generations to follow. For info. email:

IGLESIA DE LOS FUNDOS

LOS FUNDOS CHURCH

IGLESIA BAPTISTA MISIONERA ANTIOQUIA

Los Fundos Church built, continues to grow on solid foundation - Jesus Christ!

Our home church, Antioch Baptist, finished the building in January! We named the church Antioquia (spanish) in their honor!

HE WILL MEET ALL OUR NEEDS!

Nothing like it! After a little more than a year since Nate walked into Los Fundos for the first time with just a Bible in hand, we dedicated the church building. In this year we have seen young, old, male & female come to know Jesus as Savior. We've cried as many have followed the Lord in baptism. And joy with them in growing closer to God who is now our shared Father.

This week was a glimpse of how He fulfills his promises. After building the church during the week, the Antioch team loaded bags of food on a bus to take to the villagers. Just before they arrived in the

village another SCORE team gifted water purifiers and taught the church people how to purify water in the village to be fit for drinking. So in one day, we saw the fruit of the building project, (a spiritual & physical refuge) hungry families fed & given clean drinking water. Yes, He has met all of our needs.

Just as the SCORE teams left the village, I looked once more at the complete building. There I saw the most beautiful rainbow arched over the church. Yes, Lord, you are a God who fulfills His promises.
